

Quality Policy

TASCO THOMPSON & SONS is dedicated to providing products and service that meet or exceeds our customer's expectations through a commitment to customer satisfaction and continual improvement of the quality management system.

Management Commitment:

TASCO THOMPSON & SONS strive to develop and maintain long-standing relationships with our customers by providing quality products on time and at a competitive value. It is our goal to become a marketing partner and extension of our customers manufacturing efforts.

To this end, TASCO is dedicated to quality systems that conform or exceeds our customers' expectations. Open communication and integrity are an integral aspect in meeting these expectations in all our processes. A total commitment to continuous improvement is essential to all of our futures; its pursuit the goal of each TASCO employee.
